

NOV 2022 PRESS RELEASE

Aircargonet International further expands its GSA operations, with adding FR8Manage – GSA software from e-Cargoware Ltd.

Dublin, Ireland – Nov 2022 press release:

e-Cargoware, a UK-based SaaS company providing core and ancillary cloud-based freight management software services for Airlines, GSAs, GHAs, Express Operators and Freight Forwarders, is delighted to announce that Aircargonet International, headquartered in Frankfurt, Germany, has gone live with the acclaimed FR8Manage – GSA software to further expand its GSA operations.

Max Lederer, Chief Executive Officer, and co-founder

Max Lederer

We are very pleased to work with e-Cargoware. We chose FR8Manage – GSA to expand our GSA operations due to it being so user-friendly and intuitive". Max, "We are already live with the system and are very pleased with the application and the support we have received from Amit Singh, Implementation Director at e-Cargoware and his team." Aircargonet International have also opted for e-Cargoware's powerful online booking platform, FR8Booking and smart email-to-quote solution, FR8Quote.
