

SEP 2022 PRESS RELEASE

Astral Aviation, gear up for its digital expansion with FR8Manage – Airline and FR8Booking from e-Cargoware Ltd.

Dublin, Ireland – SEP 2022 press release:

e-Cargoware, a UK-based SaaS company providing core and ancillary cloud-based freight management software services for Airlines, GSAs, GHAs, Express Operators and Freight Forwarders is delighted to announce that the upcoming and rapidly growing full freighter operator, Astral Aviation with head office in Nairobi, Kenya has chosen the acclaimed FR8Manage – Airline and FR8-Booking solutions to further expand its digital footprint in the market.

Astral Aviation, Founder & CEO, Sanjeev Gadhia commented

Sanjeev Gadhia

We are very pleased to work with e-Cargoware and the selection was based on the user friendly and intuitive FR8Manage – Airline to aid in our company's continuing growth". Sanjeev explains that "the key focus for Astral Aviation is to sustain our rapid growth and increase our digital footprint. We are piloting the system as of September 2022 with FR8Manage – Airline and FR8Booking and what better way to announce it than during the IATA WCS, 2022. We are very pleased with the applications and the support and proactive interaction we get from the e-Cargoware team. Ramesh Darbha, Co-founder and CEO and his team have showed us that e-Cargoware was the right choice for us and the perfect innovative solution provider and ideal software partner".

About Astral Aviation

Headquarter in Nairobi, Kenya. Astral Aviation is a licensed cargo airline that acquired its Air Operators Certificate (AoC) and Air Service License (ASL) from the Kenya Civil Aviation Authority in 2001, and subsequently designated as a National cargo airline, by the Ministry of Transport of the Republic of Kenya in November 2006. Flying the blue skies of Africa for 22 years, Astral Aviation provides reliable and cost-effective airfreight solutions using a combination of schedule and charter flights within its Intra-African, Middle East, Asian and European Network.

Ramesh Darbha

CEO of e-CARGOWARE, Ramesh Darbha commented

e-CARGOWARE
the {digital} freight future

"We are delighted to have been given the endorsement and trust from one of the most successful full freighter operations on the market today. e-Cargoware is delighted to play a part in enabling Astral Aviation to realize its mission is to be the leading cargo airline in Africa by offering cost-effective, reliable, and efficient air freight solution."

About e-CARGOWARE

e-CARGOWARE is a software company founded by Arun Singh and Ramesh Darbha with the foresight to provide an easy to use, cost-effective logistics solutions wholly based on cloud technology. With a worldwide customer base, this SaaS platform helps Airlines, GSAs, GHAs, couriers and freight forwarders effectively manage their cargo business from booking through to revenue accounting and beyond. The company's vision is to be on the cutting edge of technology and develop services which entail the usage of Artificial Intelligence and Machine Learning features.
